

MUDr. Lenka Rybánska, PhD., MPH

Dr. Rybánska graduated from the Faculty of Medicine Comenius University in Bratislava in 2009. Then she began her preparatory training for the board exam at the 2nd Clinic of Gynaecology and Obstetrics in Bratislava. Since the beginning of her clinical practice, she was devoted to the issues of reproductive medicine. She completed several foreign courses and internships. The issues of assisted reproduction were also covered in her doctoral dissertation within the topic “The course of pregnancy and delivery after assisted reproduction”, which she defended in 2014 and earned her Ph.D. title.

She was board-certified in Reproductive Medicine in 2018, and currently, she works as Head physician at the Clinic of Assisted Reproduction, Gynaecology, and Urology IS CARE Bratislava. She is the author of many national and international publications and lectures. She is an active member of the Medical Board within the group FutureLife, which associates prestigious clinics in many European countries.
